A Message from the CEO

Greetings from a social distance,

Who could have imagined how our lives, and those around us, would be changed so quickly. In the mist of stress and upheaval, I have been so impressed by the supportive and “can do” response from our staff, volunteers, donors and community at large. The one message I am hearing is “how can we help”. In response we have had restaurants provide meals for staff, gas stations offer free services, businesses donate personal protective equipment, and volunteers spend endless hours making supplies to protect our staff and patients. I have been overwhelmed with the generosity of past and current board members and long-time supporters who have reached out providing substantial financial support.

As a result of your generosity, we are ensuring our great caregivers are safe and supported and patients’ needs continue to be addressed without delay. Decisions from our board of directors and management team are ensuring stable operations over the next year as we ride out this COVID-19 storm.

This global pandemic demonstrates the fragility of the human body as well as our ability to control events in our lives. It is also a time for us to demonstrate our humanity towards others and our appreciation for all that we have.

Thank you all for your support which allows us to continue the positive impact we have among our neighbors and for those in need during very difficult times in their lives.

Wishing you and your family good health,

John Getts
President/CEO

Home Health & Hospice Care's

LegacySOCIETY

Sustaining and Shaping the Agency's Future

Meet Bill and Kathie McInyre. They recently decided they wanted to make a provision in their estate for Home Health & Hospice Care. It may sound complicated, but they simply checked off a box on a donation envelope indicating that they want to include HHHC in their financial plan/will.

As Kathie explained, hospice care was key when her mother faced serious illness and her eventual passing in Pennsylvania. "I remember the hospice staff was so compassionate," recalls Kathie. Here in Merrimack, several of Bill and Kathie's friends and colleagues spent their final days at the Community Hospice House. "I cannot say enough of the excellent care I've witnessed," states Bill.

Kathie and Bill are HHHC volunteers. Currently, they work each Thursday afternoon making plastic gowns to be used by nurses and clinicians. Prior to the pandemic, Kathie volunteered in the office, greeted at the front desk of the Community Hospice House, facilitated the Good Grief Program, and served on the Champagne Luncheon Planning Committee. Bill has produced photo books for patients and both have assisted with the Services of Remembrance. As volunteers, they have seen the dedication of staff, the quality of patient care, and the gift that this organization is to our entire community.

As Kathie and Bill discussed at length estate choices for final gift giving, they knew that a gift to Home Health & Hospice Care would benefit the community by helping

BILL AND KATHIE MCINTYRE

to ensure these important services will be available for future generations. As Bill and Kathie reflected on the importance of the Legacy Society, they remembered these memorable words of Winston Churchill: "We make a living by what we get. We make a life by what we give."

Bequests and Planned Gifts help guarantee the future of Home Health & Hospice Care and the sustainability of our beloved Community Hospice House. You may designate a specific amount or a percentage of your estate or assets left after providing for your family or other heirs. There are many ways to make a Planned Gift and we suggest you contact your Attorney or Financial Advisor to find out what is best for you.

Our Legacy Society members are recognized in this donor magazine, at our events and at a special Donor Appreciation Breakfast held at Surf Restaurant in the spring of each year. But most importantly, your Legacy Gifts will continue to impact future generations who need the services of Home Health & Hospice Care and the Community Hospice House.

Our current goal is to have 100 Legacy Society members. Longtime Board member and supporter, Peter Chaloner, has agreed to head up the effort to expand our Legacy Society, so if you are interested, don't hesitate to reach out to Peter at PChaloner@icloud.com or Tina Andrade, Director of Development at tina.andrade@hhhc.org for more information.

KEVIN SLATTERY

1952-2020

We are deeply saddened by the passing of our great friend and loyal supporter, Kevin Slattery, who served on our Board of Directors from 2007 to 2012. Kevin was an unassuming, modest man who was quick to come to our organization's aid whenever we had facility challenges or questions. His extensive knowledge of building and construction was unequaled, along with his understanding and love of people. We will miss his gentle manner, warm smile and tremendous good sense. He was truly one of our community's best!

Introducing Leidy Huezo, Gift Management Database Associate

Leidy joins the Development team after previously working as our Weekend Receptionist and she replaces Denise DeRoche who moved to Accounts Payable.

We are deeply grateful

**MERRIMACK
COUNTY SAVINGS BANK**

Thank you to Merrimack County Savings Bank for their generous sponsorship of the 21st Annual Champagne Luncheon auction. Their sponsorship allowed for a more streamlined auction process and checkout, which allowed our Development team a chance to socialize with our guests. Thanks again for helping to make this event a memorable one!

www.themerrimack.com

Thank you to Sarah and Michael Buckley who generously sponsored the recent donor and sponsor Appreciation Breakfast at Surf Nashua. The Buckleys have been longtime supporters of HHHC and the Community Hospice House, as well as many other non-profit organizations in our area. Please thank them for their extraordinary community spirit by dining at their outstanding restaurants.

Home Health & Hospice Care

MISSION STATEMENT

Home Health & Hospice Care provides trusted patient centered services that enhance each individual's independence and quality throughout life.

Home Health & Hospice Care has been your neighborhood provider for home care and hospice services for over 130 years. Serving 25 communities in Southern New Hampshire, we provide traditional home care, inclusive of nursing, rehabilitation therapies, medical social work, licensed nursing assistants, as well as homemakers and companions. Our Hospice team cares for patients in their homes, in nursing facilities, and in the Community Hospice House, which is owned and operated by Home Health & Hospice Care.

We pride ourselves on having superior outcomes, cutting-edge technology and being leaders in disease management. Patients, clinicians, and physicians choose Home Health & Hospice Care for these reasons and many more. Can we help you or your loved ones? Please call our Referral Specialists at 800.887.5973 or visit www.hhhc.org for more information.
